HOW DOES THE PROCESS WORK?

LIVE WEDDING PAINTING

After your booking is secured, we will have a pre-wedding consultation over the phone to discuss creative options and so that I can get a better idea of your vision for the painting.

On the day of your wedding, I will arrive 1 hour beforehand to set up.

After the ceremony, I will do a quick photoshoot of the newly married couple to capture the moment I will paint.

I will head back to my easel to begin the artwork.By the time cocktail hour is over and guests start coming into the reception space, they will see me painting your wedding portrait and they can watch the process unfold throughout the night.

In total, I will have painted for about 6-7 hours at your wedding. I will always take the artwork back to my studio to touch up, varnish it for protection, and attach a hanging wire. The finished artwork will be posted to you 3 months after the event.

Do you offer framing?

Framing can be arranged if that is something you would like. Prices for frames depend on the size and style of the frame. We can have a consultation to find out which frame will suit you better

WHAT COUPLES SAY

E: info@ashleybuntingstudio.com.au | www.ashleybuntingstudio.com.au

We hired Ashley for Live Painting at our wedding and she **exceeded our expectations**! Everyone was so **amazed** and **impressed** throughout the reception. We couldn't believe how accurate she captured our wedding and what we wanted. From start to finish, Ashley was very professional, communicative and easy to get along with. She understood what we wanted to capture and even made some changes/adjustments at our request. Highly recommend!

Great communication and service. The work was incredibly done !
What I loved about Ashley is that she is the type of vendor coming to your wedding without causing you more stress and trouble. She already knows what she is doing and she does her amazing art work in her own space being really discrete but also being such a great divertissement and entertainer for the night. **Definitely recommend !**
